**MAHINDRA NORTH AMERICA &
AMERICAN AGRI-WOMEN
MAHINDRA PRIDE SCHOLARSHIPS**

Mahindra Pride Daughters of Agriculture Scholarships were created to honor all women who play an important role in agriculture – on farms and in agri-business. Mahindra's Rise philosophy centers around the core belief that we will use our resources to drive positive change in communities across the world through alternative thinking, accepting no limits and driving positive change. These scholarships support the next generation of young women in their pursuit of a post-secondary education in an agriculture-related field and position them to be the industry leaders of tomorrow.
