10. NOTE: Any photo that does not meet the above requirements will not be judged.

Judging:

Judging consists of two rounds of evaluation. In round one, a panel of photographic experts from American Agri-Women will select 10 total entries as well as 1st, 2nd and 3rd place entries from among all eligible entries based on the following judging criteria:

- (1) Genuineness and authenticity of the content (34%)
- (2) Creativity (34%)
- (3) Photographic quality (32%).

The 10 photos from round one will be posted to American Agri-Women's Facebook page for a People's Choice award. The general public will then be encouraged to post a reaction or share the video. Reactions will earn 1 point and shares will earn 3 points. The entrant whose photo scores the most points as of June 1st, 2019 at 11:59 p.m. Central will be the winner.

Winners of the First, Second, and Third Place prizes and People's Choice awards will be chosen by June 1 and notified by e-mail. Decisions of the judges are final and binding.
