

WOMEN HEROES of Science & Technology

Today, we eat food from all over the world. I help make sure food is safe and meets all government regulations and quality standards.

What I love about my job:

I love keeping consumers safe and I also love working for a company that develops products from locally harvested food.

Victoria S. Foster

Quality/Food Safety Manager
McCain Foods

Nutritionist

Universidad Autonoma de
Chihuahua — Mexico

Certified Texas Nurse Aide

Bachelor's in Business Management
New Mexico State University
