

## WOMEN HEROES of Science & Technology

My work identifies ways to improve crop yields, fight plant disease and increase nutrient content. I also educate future scientists.

*What I love about my job:*  
I love working with people and awakening their curiosity about plants.

### Jeneen Abrams

Plant Research Scientist  
Purdue University's Department of  
Botany & Plant Pathology

Bachelor's Degree in Agriculture  
Penn State University

Master's Degree in  
Plant & Soil Science  
Alabama A&M University

PhD in Plant Breeding & Genetics  
University of Tennessee

A message to young  
SCIENTISTS

“Be bold, tenacious  
and true to what  
inspires you.  
Always be your  
best cheerleader  
and know you can  
do anything!”
