

WOMEN HEROES of Science & Technology

I help develop new, higher yielding and more disease tolerant wheat varieties.

What I love about my job:
Seeing a farmer succeed with a variety I helped develop.

Sarah Battenfield

Lead Breeder for Central Plains
Hard Red Winter Wheat

Bachelor's Degree in Human
Development and Family Science,
Oklahoma State University

Master's Degree in Plant and Soil
Sciences, Oklahoma State University

PhD in Genetics,
Kansas State University

A message to young
SCIENTISTS

“Be good at what
you do and do it
with integrity and
heart! And balance
your life and
work.”
