Fly-In Meeting Descriptions:

- **Orientation:** The Orientation Meeting is late Sunday afternoon to allow participants time to arrive and to check in to the hotel. Orientation is the opportunity for everyone to gather together, get an overview of the Itinerary for the week, review the key AAW issues that participant will take to their appointments, and hear from invited speakers. This is also the time when the name tags, Agenda Packets, and Advocacy Packets are distributed.
- **Symposium:** This year AAW celebrates its 29th Annual Symposium. The AAW Past Presidents host the Symposium to feature an expert panel on a timely topic. After the speakers present, audience members may ask questions from a microphone. This event is usually recorded, transcribed and made available to members.
- **Agency Roundtable:** The USDA Agency Roundtable has always been a favorite for Fly-In and planned for Tuesday morning. High level agency officials are invited to speak in 15 – 20-minute increments, allowing 5 minutes for Q&A. Two – three hours are generally allowed for this event, depending on the number of speakers.
