American Agri-Women’s “AgDay365: Ag Day is Every Day” campaign is a national advocacy and education campaign to show that everyone is part of agriculture, every day, and to raise awareness about who produces our nation’s abundant food, fiber and energy supply.

Inspired by National Ag Day and the need to make every day Ag Day, AAW and our affiliates are promoting #agday365 and we invite you to join with us:

- On social media: Follow along with the #agday365 hashtag on social media and add to your own posts.
- During special events, programs, and activities hosted by AAW, our affiliates and sponsors.
- On your own farms and ranches, in your own businesses, in your own organizations and in your homes and communities.

With #AgDay365, there is a place for all of us to be involved. Want more information? Contact president@americanagriwomen.org or community@americanagriwomen.org
